A Monday Teachers' Meeting - May Lead To Advantages For Everyone

It seems like just another meeting of teachers but actually will be a giant step for area education and the public when Carol Maplethorpe and Jeanette Tulumello call to order a meeting of grade and high school teachers next Monday.

Back of this first meeting is a series of letters, get-togethers, and a general seeing eye-to-eye by the administrators and educators of the schools.

BUT NO MATTER what has gone by, the good that will come is all that matters. That good will be a solid education for our school children.

This is not to say that the students haven't gotten a good background in learning. The excellen honors some

of the students have received in colleges recently speaks well for their preparatory training.

But it has been hard. Many citizens probably haven't realized how hard it is to learn first from a system of a given grade school, then to advance to a high school which had no idea of the degree of training each pupil has received, the books used or even the attendance a student has maintained. And to make matters worse, a student from one grade school is put into high school along with a student from another school, both of whom have had different methods of training, of discipline and of understanding.

IT IS A CREDIT to the children themselves to graduate from high school and gain such great stature in life as they do.

But as in the case of most parents, they want to send their children to school, hope they get a good education and complain of the tax bills they have to pay.

Here is where the Monday meeting will have a great impact upon the pocketbooks of the parents. If all goes as planned, the meetings will develop into a tax-saving for all.

TWO OF THE areas agreed upon by the school officials include sharing of building facilities and sharing of transportation facilities. It does not take a far sighted person to see the tax advantages here. And from there it is not a great step to another area discussed already—cooperative purchase of school supplies.

Sure, at present the Channel Lake School doesn't use the same grade fuel oil as the Antioch Grade School but in time, with the cost advantages which can be realized, entire systems can be changed with great savings.

All involved in the planning of this first meeting are happy that first steps could be taken in the basic areas—that of teaching the students. Carol Maplethorpe, head of the language arts department at the high school, and Jeanette Tulumello, head of the social studies department, will serve mainly as discussion leaders of teachers from each of the grade schools which feed students to the high school.

THE SECOND meeting, on Dec. 8, will be headed by Donald Cramer and Elmo Edwards who will lead discussions in math and science.

Grade school teachers will attend from the Antioch Grade school system, Channel Lake, Emmons, Grass Lake, Hickory, Lake Villa and Millburn schools.

Credit also should go to the leaders in these cooperation meetings including Albert Dittman, principal of the high school whose dream is to see a closely integrated, single unit system in the area. Also Robert Denman, chairman of the school board of the high school. Many others are involved but they are not listed simply because we haven't had the opportunity to talk with each one individually about his views.

So like an iceberg, all that really matters isn't on the surface.

Grass Lake Students On Radio Tuesday

Eighth Grade students of the Grass Lake School will be featured on the PTA program on radio station WKRS in Waukegan Tuesday, Dec. 2.

The students will discuss "Youth and Our Government" on the 2:45 p. m. program. Guiding the group will be Mrs. Vera Smith, teacher of the class. Mrs. Frances Burke, radio chairman of the Grass Lake PTA will accompany the students.

SOUTH AMERICAN NATIVES are experts at playing this flute, Mrs. Charles Brashares, center, explains to Mrs. Gerald Robinson at the meeting of women of the Community Methodist Church of Lake Villa Monday. Holding a piece of native cloth work is Mrs. Thomas Mellon, president of the Women's Society of Christian Service of the church. The meeting was held in honor of Mrs. Brashares, wife of the Chicago area Methodist Bishop, who helped consecrate the new \$45,000 church in Lake Villa. The Brashares recently returned from South America and soon will be leaving for Africa.

Plans Near Completion For 'Messiah' on Dec. 7

Preparations and rehearsals are nearing completion for the second annual presentation of Handel's Messiah by the Antioch High School Music department.

The popular Christmas musical pageant will start the local Christmas season Sunday, Dec. 7 at 8:15 p.m. in the Antioch Township High School auditorium. Admission is free but a collection will be taken to aid expenses and to give to the tour fund for the high school band.

MAKING UP THE choir of more than 200 voices are members of the high school choral sections and adults from the community. Featured, along with the voice chorus, will be the brass choir of the high school. Ken Smouse, director of vocal music at the high school, will direct the program. Margaret Aschbrenner will assist at the piano.

Six soloists, four female and two male, will perform individually for the program. They are Mrs. Ingeborg Wiegart, soprano; Mrs. Gerald W. Robinson, soprano; Mrs. R. W. Yancey, alto and Melody Midgley, alto. Male voices are Ron Peters, tenor and Frank Denison, bass.

HIGH SCHOOL CHOIR members will be wearing new robes for the first time in public at the performance, Smouse said. Adult members of the chorus will be wearing robes from their respective church choirs.

The performance is open to the public and a reception will follow. The reception is sponsored by the Antioch High School Music Assn.

Record Nook Adds Line of Ceramics

Ethyne Michaels ceramics have been added to the merchandise carried by the Record Nook, 845 Main St., Antioch. It is an exclusive dealership.

Mrs. Michaels instructs in her Silver Lake, Wis., studio where she hand crafts ceramics. Her crafts will be available at the Record Nook beginning Friday, Nov. 28.

Modern Roadbuilders Pretty Smart - Follow Indian Trails

(This is the first story in a series of people, places and events in the lakes region "way back when." The six part series will continue each week to let old timers think back to "the good old days" and to introduce the many newcomers to the history of the great chain-o-lakes area. The series has been compiled for the Antioch News by Jacqueline Horton of Antioch who has spent many hours in research and writing.)

By Jacqueline Horton
With all our engineering know-how, we haven't improved on the Indian very much. Sure, we've made our roads harder and wider, but we still recognize that the red man knew the best routes to follow.

In many instances the trails of the Indian were recognized by the white man as the logical highways through the country. Therefore we proceeded to widen them from foot paths to wagon roads, and later they became the network of paved highways we now know.

Long before the coming of the white man, prairie and forest of our

Lake County were penetrated by a well-defined network of trails by our Indian friends. All indicated a direct route to some given point, and in fact, many trails were almost an air line route—even though swerving a few rods to right or left might have avoided a hill or ravine, the straight course was generally followed.

EVERYBODY USED THESE trails too. Some of the busy routes we now so easily whisk over in our high-powered cars long bore the soft tread of generations of Indian feet, then the advent of the French explorers brought a heavy boot. Missionaries and trappers penetrated the vast wilderness of our country and followed the practical redman's route to the Mississippi country.

Later the trails, now roads, felt the beat of horse hooves as the white man's military troops and supplies utilized the old trails between camps and forts established along the shoreline of Lake Michigan.

Next came heavy wheels of settlers' wagon, buggies, carts and even the cutters of their sleds. Automobile tires whirled over them in our modern times.

Kids Can See Santa Fly In By Local Plane

Arrives Next Week, Officially Starts Yule Season in Town, Area

Christmas in Antioch will begin Saturday, Dec. 6 when Bill Horton brings in Santa Claus from the North Pole. Residents of the area are invited to Horton's airfield to see Santa land and to usher him into town.

Russell Barnstable and Mrs. Thomas Pechousek, co-chairmen of the Chamber of Commerce retail committee, announced this week that arrangements have been made with the local pilot to make the trip to Santa Claus' home and bring him here personally. He probably will arrive at Horton's field on Rte. 173 about 10:30 a. m.

ARRANGEMENTS ARE being made to bring Santa and the kids who greet him to town on a specially-rigged flat bed truck followed by a caravan of townspeople who greeted him at the landing field.

Santa will spend the day at the fire station where he will greet all the youngsters and give each child a box of candy. Entertainment for the kids will include movies at the Antioch and the Lakes Theatres.

Chamber members also have promised that the business district will be decorated even more elegantly than last year with lighted Santa Claus figures and candy canes from light poles in the area. Music will be played all day from The Jewel Box, courtesy of Robert Jensen.

CHAMBER OFFICIALS are hoping for a good attendance at the field to see Santa Claus land and promised each youngster a chance to greet the old man at the field. Many of the kids will be invited to ride into town on Santa's special truck and thus will be first in line to receive candy at the fire station when they talk to him.

Final details of Santa's first visit here will be released next week. His schedule will be published in the Antioch News.

CHAMBER MEMBERS promised that this year's Christmas in Antioch will equal any ever seen here. The business section will be lighted better than before and will look better even by daylight. Arrangements are being discussed with the village for a community Christmas tree but nothing definite has been worked out, says Ralph Gresens, secretary of the Chamber. The Chamber will donate the lights and labor to decorate it if the village will provide a tree, he said. It is hoped that the Fire station lawn can be transformed into the community Christmas center.

Stores in the town have set Dec. 8 as the day they will begin evening hours for the Christmas shoppers.

Yule Mailing Rise To Start About Dec. 8

Majority of the Christmas mailing in the lakes area should begin about Dec. 8 and build up to peak on Dec. 22 if past years are any indication says Roy Kufalk, Antioch Postmaster.

With the growth of this area, Kufalk would ordinarily expect the greatest volume in history for the Antioch postoffice. But, he says the August postal rate increases may have affected Christmas greeting mailing very much.

HIS OFFICE is adopting a "wait and see" attitude.

In order to help postmen, Kufalk suggested that postal patrons do their mailing early as possible. Also he suggested that persons tie packages securely and address parcels only on one side, being sure to include return addresses.

Many people address packages on two sides while stamps and cancellations can go only on one side. The Post Office Dept. has noted that some packages have been held up for postage or even returned to the sender from large volume offices.

IT IS WISE to address the outside wrapper and also inside wrappers and the boxes, Kufalk said.

The second part of a postal rate hike is to take place Jan. 1, Kufalk said. Details will be announced soon in the Antioch News.

Over 100 Protest Building of Club Near Grass Lake

Expecting—and getting—much opposition to Mrs. Charles Ackerman's request for a zoning change, the Lake County Zoning Board of Appeals moved a hearing last week to the American Legion Hall. More than 100 residents of the Grass Lake area did come out to protest. Local meetings usually are held in the Antioch Village Hall which seats about 25.

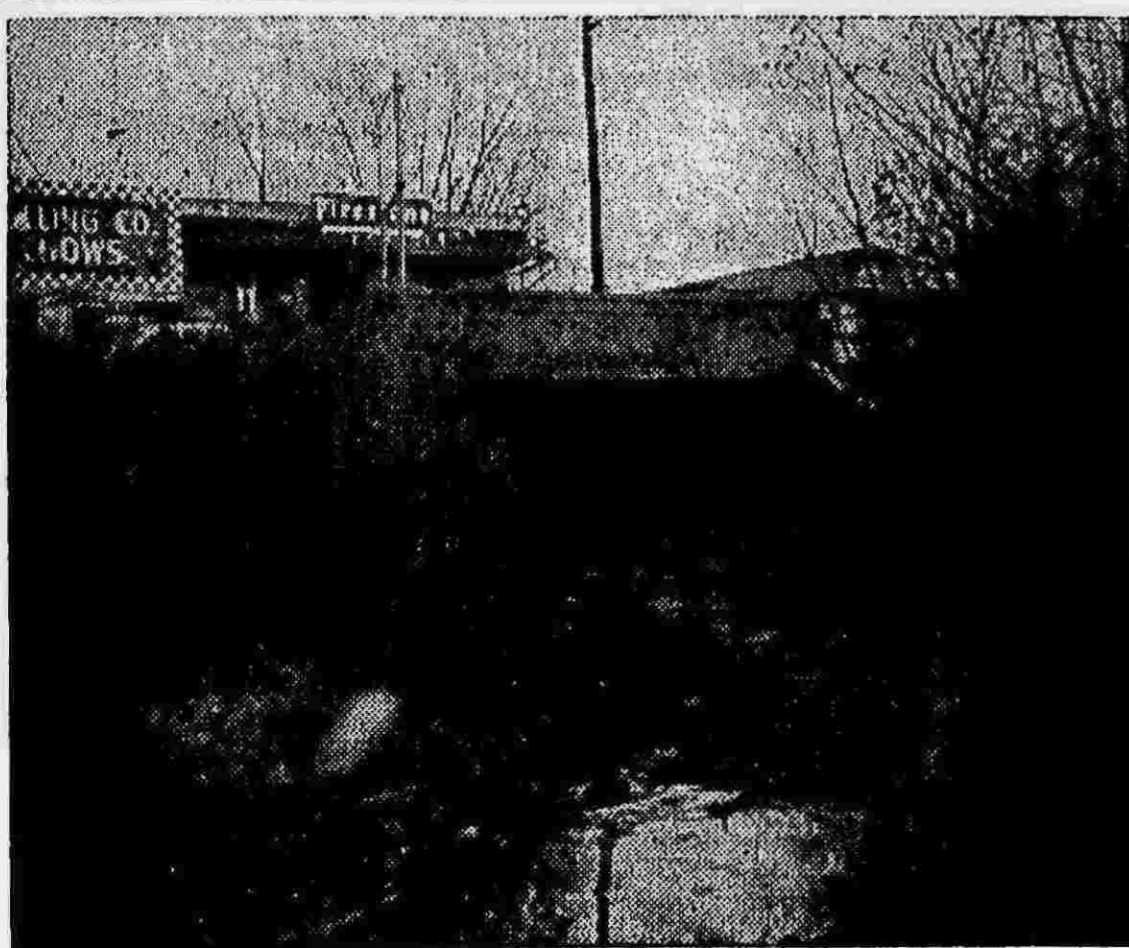

Mrs. Ackerman requested changing a peninsula which she owns at Indian Point from residential to business so that she can build a private club. She testified that membership would be limited to about 100 and that no alcoholic beverages would be served.

HOWEVER 84 residents in nearby subdivisions signed a petition which asked that the request be disallowed. Many of them appeared at the hearing and three testified. One of the objectors was Harry J. Carlson, county building and zoning officer who appeared as a private citizen and resident of the area.

Although Mrs. Ackerman owns all the land in question, protestants claim that an undue amount of traffic would be traveling to reach the club over residential roads, already too narrow. Also, they expressed fears that flooding on the land would back up the septic system installed and cause a harmful effect to the neighborhood. The appeals board made it clear that installation of the septic tanks would conform to county standards.

COMPLAINTS THAT building of the club would obstruct the view from many homes was countered by

(Continued on page eight)

IN THE OLD DAYS, the Indians and later the settlers had trouble fording this little creek which now is crossed easily by many cars as they speed through Antioch. The stream is Sequoit Creek downtown in the village. Rte. 21-83 from Lake Villa through Antioch and Salem, formerly was the old Mukwonago trail which also was a main Indian trail.

New Things Are Stirring

Something's different, Henry. We have begun a program of modernizing the Antioch News to give a complete local news and advertising medium to all the people of the Lakes Region.

We lifted our face a couple months ago and are more completely covering the happenings of our area communities. The results have been gratifying for us but yet we're disappointed. Last week we found some folks who take the News but don't read it. How many more?

This paper is determined to be the paper of the people, a true spokesman for the lakes region. Next week our classified section will be modernized and specially designed to fill the wants and needs of our area people.

Now we suggest everyone should spend just five more minutes with the Antioch News this week. Read it, appraise it, and give us your comments. Don't limit your opinions to just your newspaper but what about the entire community? the area? This page, from this week on, is reserved for comment and opinion—ours of course, but yours especially.

What do you think?

They're Looking At You, Merchants

Many times an outsider can see things which an insider can't. A man lives so long with his wife that he can't understand that he's henpecked. A youngster thinks he's just not growing at all until one day Aunt Matilda exclaims: "My, how big you are."

Now this is a funny way to get into an editorial about cooperation but that's what this is about.

In the past weeks it has been the self-appointed task of members of the staff of the Antioch News to get some outsiders' opinions about our town. Cooperation is the thing that there just isn't enough of.

Here are the facts:

Christmas is approaching, the biggest sales event of the year. Merchants last week could not get enough people together to truly represent the retail merchants. And when the call came for money to decorate for the benefit of all, no one volunteered a farthing. (pardon—except one merchant who told the News he would give \$50 this Christmas.)

The Chamber of Commerce (a unit which can not exist without cooperation) has a tough time getting merchants to give \$25 a year dues. And those who do join don't have the time to attend meetings.

Last fall's Harvest Sale was an admitted sales flop. Only about five merchants carried the ball. These are the same merchants who carry the load in every sale—as far as we can determine.

Some stores are open Wednesday, others not. The poor shopper doesn't know which will be open so Wednesday is poor buying for all.

Last month the Chamber brought a famous outsider to town. He appraised Antioch and told the 29 merchants attending the meeting freely quoted:

"What will you do if you should wake up some morning to find a popular shopping center on the outskirts of town?" One thing for sure, Main St. and Lake St. will be dead.

And don't be so complacent, merchants. The sales tax figures are published for all to see and sharp Chicago and Waukegan merchandisers are reading them with great interest.

In Politics, News Likes GOP

The Republican party has a platform which this newspaper believes is better for the people than that presented by the Democrats. For this reason, the Antioch News likes to classify itself as a Republican newspaper.

That, briefly, is the political policy of this paper.

But going one step farther, the Antioch News remains a newspaper and will not be a house organ for the Republican or the Democratic party.

As we see it, our obligation is more to our readers than to any political leader. We will attempt to give the news the value it deserves as legitimate news in the news columns and leave our editorial comment to this page. We highly value the letters, comments and opinions of all persons, regardless of political affiliations.

So if you have something to say, we feel more can be accomplished if our readers continue to inform us of their feelings on any issue facing the area through letters, or any similar means.

W. E. Winn, Richmond, Named Vice P. Of Nat'l Milk Producers

Walter E. Winn, nationally known dairy farmer from Richmond, was reelected first vice president of the National Milk Producers Federation in Boston, Nov. 19, during the Federation's annual meeting.

Winn is president of Pure Milk Association, Chicago, a marketing cooperative which represents more than 14,000 dairy farmer members from Wisconsin, Illinois, Indiana and Michigan.

He is also a member of the Federation's executive committee and chairman of a special committee to promote effective enforcement of laws and regulations pertaining to imitation dairy products.

Red Kettles Out Friday

Little red kettles of The Salvation Army will be back at their Christmas jobs again Nov. 28 in Chicago and suburbs waiting to be filled with the coins to make Christmas happy for a lot of needy people.

At Christmas time last year, at its installations throughout the United States, The Salvation Army provided holiday dinners and other assistance for more than 1,000,000 persons and distributed more than 600,000 toys to needy youngsters.

According to The World Book Encyclopedia's research department, children in eastern cities used to celebrate Thanksgiving by parading through the streets in costumes, begging from passers-by.

Museum To Present Again Popular 'Christmas Around World' Festival

From Saturday, Nov. 29, through Sunday, Dec. 11, the seventeenth annual festival dramatizing customs of "Christmas Around the World," will be featured at the Museum of Science and Industry, 57th Street and the lake front in Chicago.

Expected to continue its history of constantly new record-breaking crowds of spectators, the project, which has attained national recognition as one of the most picturesque Christmas season programs staged in the country, will this year highlight the Yuletide traditions of 21 different countries. Latvia, a nation not previously included in the Museum's Christmas presentations, will be featured in a special matinee on Dec. 6.

Programs will be held daily at 2, 7 and 8:30 p.m., with two extra afternoon programs on Saturday and Sundays at 3:30 and 5 p.m.

WHILE THE AFTERNOON programs will be largely musical in nature, the evening program will tell by pageantry, liturgical music, folk songs and dancing, the story of the wealth of Christmas lore to which the United States has fallen heir. Presented by scores of educational, religious, civic, and fraternal organizations from all over the Chicago-land area, the festival portrays the background of national heritages brought to the United States by emigrants from other countries, and will emphasize the contributions made to America by the various old-world cultures.

Between the Museum's regular closing hour and the evening program hour, portions of the exhibit floors will remain open to visitors. In the dining rooms, between 5:30 and 8:30 p.m., Christmas dinners featuring the national dishes of the groups represented on the day's programs, will be served.

THE MUSEUM'S CENTRAL court will be girdled by a forest of gigantic Christmas trees, each trimmed according to the customs of the peoples it represents. Between them will be seen manger scenes as one would find them in the lands whose traditions hold no trees as part of the Yuletide pageant.

The sparkling glitter of the stars on the Norwegian tree, the mouth-watering bon-bons on the French Christmas tree, the egg-shell figures on the Polish tree and the Lithuanian tree ornaments of straw will all vie for the attention of the thousands of spectators usually attracted to the festival.

Competing for attention will be

the little wooden shoes of Dutch children filled with carrots and apples and waiting on a typical Netherlands' doorstep for Good St. Nicholas, and other reminders of how most of the nationality groups around the world have each contributed some individual cultural tradition to help the United States at Christmas and throughout the year prove itself a land consecrated to the ways of peace and good will for all men.

The days when the Christmas customs of various countries will be individually featured at the Museum follow, with the specific performance shown where more than one nation share the same day:—

Saturday, Nov. 29—Croatian-Slovenian; Sunday, Czechoslovakian; Monday, Danish; Tuesday, Polish; Wednesday, Lithuanian; Thursday, Hungarian; Friday, Dutch.

Saturday, Dec. 6—German, 2:30, 7, 8:30 p.m., and Latvian, at 5 p.m.; Sunday, Armenian at 2 and 3:30 p.m., Norwegian at 5 p.m., and Japanese at 7 and 8:30 p.m.; Monday—Italian; Tuesday, Irish; Wednesday, French; Thursday—Mexican; Friday—Swedish.

Saturday, Dec. 13—Ukrainian, 2, 3:30, and 5 p.m.; British at 7 and 8:30 p.m.; Sunday, Dec. 14—American, 2, 3:30, 5, 7 and 8:30.

Area Boat Harbors To Get \$28,050 State Development

Governor W. G. Stratton has released the sum of \$28,050 to the Illinois Department of Conservation for use in development of boat harbors in the Chain O'Lakes area.

Of this total, \$16,950 will be used by the department for development of a boat harbor and access area at Oak Point.

Another \$3,000 is to be used for the second stage of boat harbor developments at Dunn's Access Point. The remainder of the total, \$8,100, will be used for boat harbor developments in the general Chain O'Lakes area in Lake County.

Where Were You?

Chances are that just 25 years ago next Friday, Dec. 5, you visited a local tavern. The odds for making such an assumption are based upon the fact that prohibition was repealed at exactly 5:32 p.m. that date in 1933.

No. Illinois U. Gets \$67,000 Science Grant

Northern Illinois University has announced the receipt of a \$67,000 award from the National Science Foundation to be used to conduct an eight week Institute For High School Science Teachers in Chemistry.

Announcement of the award was made by Dr. Leslie A. Holmes, NIU President, at a meeting of the Teachers College Board in Chicago.

The eight-week program will run

concurrently with the regular NIU summer session from June 22 through August 14.

2000 Attend Opening of Keulman's Remodeled Store

Jewelry business as a business hasn't changed much since 1902 but more than 2,000 people last week saw that a place of business certainly can change.

The people took part in the three-day opening of the newly remodeled Keulman's Jewelry at 913 Main St. The business begun by Olive and the late William Keulman, has "grown every year," says Charles Keulman, son of the founder, and present owner.

THE ORIGINAL store was on the location where the Antioch Packing House retail store now stands. It was destroyed by fire and then was located in the rear of the present store while the building was being built, Keulman recalls. In 1908 the present building was completed and the jewelry store moved again onto Main St.

Since its founding, the store has been the Antioch outlet for the old Edison phonograph and then the Victor talking machine. It still handles the successor company lines, the RCA-Victor television sets.

NUMEROUS FREE prizes were given out at a drawing to climax the opening of the new store. Winners of the top awards, Elgin wrist watches, were Margaret Geiger, Rt. 1, box 425, and Clarence Mair, 1022 Osmond, both Antioch. A list of 17 winners of other merchandise prizes was announced by Keulman.

They are: James Brodie, Ed Stanich, Anguile Small, Lucille D'Abaldo, Mrs. Robert Gross, Mrs. Stanley Hall, Jeffery Sterbenz, Ruth Seyfarth, Pat Leber, and Mary Uark, all of Antioch. Also David Anderson, Bristol; Mrs. P.

Lake Villa Library Registration, Usage Rises In October

Circulation of the Lake Villa library is steadily going up with more than 50 new registrations received in October.

According to Mrs. Ted Belke, librarian, registrations are one thing, but actual use is another. But she says that usage actually is up as much as registrations.

Interest in the Friday night Music Night program has shown some of the greatest increase. Teenagers and adults enjoy reading and listening to records, she said. Donations have been received from the Lake Villa Woman's Club and the West Milwaukee Ladies' Auxiliary for the purchase of hi-fi phonograph for the Friday program.

Recent book gifts have been received from Charles Wullenbuecher, Mr. and Mrs. Jere Hagen, Charles Petty and Mrs. G. E. McGee.

In addition, several teachers of the Lake Villa consolidated school have brought their classes to the library to choose reading material and see how a library operates.

The TV program "The Storyteller" is very popular in the area and the library is attempting to have available children's books featured on the program.

Krumm, and Mrs. William Runge, Kenosha.

THREE SPECIAL drawings for youngsters and teenagers were held also with Jane Edwards, Jim Dupre and Marge Lehmann winning free prizes.

A special display of replicas of some of the world's most famous diamonds drew a lot of comment and interest, Keulman said. It included likenesses of the Hope, Great Mogul, Kohinoor, Dresden and Tiffany diamonds, the originals of which are worth many millions of dollars. The display also showed how a diamond looks when it is taken from the ground and the eight stages in processing a stone.

4-H Members Try For Calf Prizes At Dec. 6 Auction

Boys and girls of the 4-H Clubs will battle for prize calves and the opportunity to win cash prizes when 100 calves are auctioned at the National Calf-Club Sale at Hawthorn-Mellody Farms in Libertyville, at 10 a. m. Saturday, Dec. 6.

The calves have been specially selected from leading Illinois and Wisconsin breeders for use in calf-

club work and as foundation stock in building herds.

Hawthorn-Mellody will sell 25 of its best Holstein heifers and three top prospect show bulls.

To encourage 4-H youngsters in calf-raising, John F. Cuneo, owner of Hawthorn-Mellody Farms, is offering \$50 to every boy and girl whose purchase wins a state show next year with more than 10 entries. He also will award \$60 to the owner of the calf in each breed which has the best record as a two-year-old.

ECONOMY TV TOPICS

OLD TIMER'S VISIT

An old time radio serviceman from about 1919 stopped in and visited us at ECONOMY TV on Rte. 173, 1 mile West of Antioch. After hearing some of his tales, we feel pretty good about our times.

He told about having what would be about \$15.00 worth of equipment to work on 2 and 3 tube radios. It seemed that an average job would take about four hours; not that the radio was complicated then, but they just didn't have the electronic meters and tools to work with. It was a 'hit and miss' procedure until the trouble was corrected.

Today, a good TV serviceman has about \$1,500.00 worth of servicing equipment. You find the trouble fast and you correct it precisely. That's why you should phone 1454 for the best and guaranteed type of service. It costs no more; often less.

The 4-door 9-passenger Kingswood with rear-facing back seat and automatic rear window

Be our guest for a pleasure test...

THIS IS THE ONE FOR WAGONS! 1959 CHEVY

Chevrolet's five stunning new station wagons for '59 are shaped to the new American taste with fresh, fine Slimline design. And they're beautifully practical—with roomier, quieter Bodies by Fisher, an even smoother ride, new ease of handling!

Wagons were never more beautiful or dutiful. From low-set headlights to wing-shaped tailgate, these '59 Chevrolets are as sweet looking as anything on wheels. They're just about the handiest things on wheels, too—from their overhead-curved windshield to their longer, wider load platform. Besides additional cargo space, you also get added seating room (4 inches more in front, over 3 inches in back). And you'll find such other practical advantages as new easy-ratio steer-

ing, Safety Plate Glass all around, bigger, safer brakes, smoother-than-ever Full Coil suspension and a roll-down rear window (electrically operated as standard equipment on the 9-passenger Kingswood). Your dealer's waiting now with all the details on why this year—more than ever—Chevy's the one for wagons.

SOCIETY EVENTS

Betty Jean McDougall Bride of W. H. Ogden

Las Vegas was the setting for the marriage of Miss Betty Jean McDougall of Antioch and William H. (Bill) Ogden of Glenview, formerly of Sacramento, California.

The bride, given in marriage by her father, selected as her bridal ensemble a light beige wool sheath dress with satin trim, designed with round neck-line and three-quarter length sleeves. Her headpiece was a matching cloche and her flowers were a corsage of white orchids and stephanotis.

Attending the couple were Mr. and Mrs. James Ferguson of San Antonio, Texas.

The bridal pair were honored at a dinner following the ceremony at the Hotel Flamingo, afterward leaving for a honeymoon in the Los Angeles area. They plan to spend the remainder of the year touring the national professional golf circuit before making their home in Glenview.

The bride attended Antioch Township high school and is a graduate of the University of Illinois, where she was a member of Alpha Phi Sorority. For the past four years she has been a hostess for the Trans World Airlines. Betty Jean is the daughter of Eugene J. McDougall and the late Mrs. McDougall.

Betty Jean McDougall

Ogden, son of Mrs. W. H. Ogden of Sacramento, and the late Mr. Ogden, was graduated from C. K. McClatchy high school and later from San Jose college. He also served in the Army. He has been head golf professional for the past 4 years at the North Shore Country club at Glenview. Prior to that he was a teenage golf star in Sacramento and won several amateur golf titles before becoming a golf professional.

HOMEMAKERS PLAN CHRISTMAS PARTY

Twenty-one members of the Antioch Home Makers met Thursday at the home of Mrs. F. Kranz at Lake Catherine. Mesdames William Rosing, William Schmitt, Robert Hess, and R. Bremer were co-hostesses. Reports were made on the cancer pads which the club members have been making for the past two years. The quota has been made for this month.

Following a luncheon served by the hostesses cards were played and prizes awarded the winners. Plans were made for a Christmas party to be held Dec. 17 at 12 noon at the home of Mrs. Clarence Spiering.

ANTIOCH WOMAN'S CLUB TO HOLD MEETING DEC. 1

The Antioch Woman's Club will hold a regular meeting and guest day at 1:30 p. m. Monday, Dec. 1 at the Scout Home. Mrs. Gladys Applegate will give a "Complete Book of Absolutely Perfect Housekeeping," during the afternoon. Mrs. J. A. De Stefano assisted by Mesdames Lulliver Lasco, Clarence Spiering, William Cooper, Raymond Hamilton, Fred May, O. I. Onstad, W. J. Murphy, Jerome Vogler and Edward Cranley will serve as hostesses.

LAKESIDE COUNCIL COMPLETES 20-HOUR LEADERSHIP COURSE

Thirty women from the Lakeside Council area were recently invited as Girl Scout and Brownie leaders in a candlelight ceremony at the Round Lake Community Church. The basic training course was under the direction of Trainers, Mrs. John Hawse of Wildwood and Mrs. Lloyd Carvell of Round Lake. They were assisted by Mrs. Harold Spinney of Round Lake, training chairman.

Those attending the course from Antioch were Mrs. Charlotte Queen and Mrs. Lois Ward.

Those attending from the Lake Villa area were Mrs. Lois Flanagan, Mrs. Edith May, Mrs. Lynette McNeill, Mrs. Elaine Miklutish, and Mrs. Betty Scharton.

Mrs. Gladys Clarke and Mrs. Arlene Olszewski, Secretaries at the Antioch Township High School, attended the fall dinner meeting of the Lake County Educational Secretaries at the Swedish Glee Club in Waukegan on Nov. 19.

Ant. Garden Club Hears Talk on Care Of Trees and Shrubs

About fifty members of the Antioch Garden club and their husbands met at the home of Mr. and Mrs. Clarence Spiering Monday evening. Beautiful seasonal decorations added to the beauty of the table where a turkey and ham dinner was served.

Following the dinner Mr. Nels Johnson of Evanston, showed slides illustrating the "do's" and "do not's" of shrub and tree care. He said it is better to transplant trees, shrubs, and evergreens in the spring rather than the fall. Fruit trees may be pruned when the leaves have fallen. Intensive pruning improves the quality of the fruit. Trees as large as 60 feet tall can be successfully transplanted by skilled tree surgeons, he told them.

Dorothy Jach, Member College Theatre Staff

Dorothy Augusta Jach, daughter of Mrs. Fred W. Jach, Box 544 of Antioch, has been a member of the theatre staff of Knox College's "My Three Angels."

The Knox College theatre department develops and performs student dramatic and musical productions and is inspired by Gene Rayburn and other Knox graduates who have made their marks professionally in the theatre arts field.

Gets Lieutenant Bars

Albert W. Herman, rte. 4, Antioch, is a new cadet second lieutenant in the Air Force Reserve Officers' Training Corps at the University of Illinois.

He is a third-year student in the advanced course of the ROTC, taking work leading to a reserve commission in the Air Force and opportunity if he is rated a distinguished cadet to become a regular officer. Two years of military training—in Army, Navy, or Air Force ROTC—is required of men students in the university, advanced work is optional, open to those who pass requirements for such training.

MISS MANTIS HONORED AT RECEPTION

Miss Diane Mantis, Grand Recorder of the State of Illinois, Order of the Rainbow for Girls was guest of honor at a reception given recently by Antioch Assembly, at the Masonic Temple. Grayslake, Woodstock and Lake Forest, visiting assemblies were represented. Miss Faye Mann, Worthy Advisor of Antioch Assembly presided at the meeting. Refreshments were served by Sharon Gibbs and her committee.

Mr. and Mrs. S. Boyer Nelson and son, Harold, left Wednesday for Hampton, Ill., where they will spend Thanksgiving with Mr. and Mrs. W. F. Peters.

The December meeting and annual Christmas party of the Esther Circle of the Women's Society of Christian Service will be held at the home of Mrs. Albert Dittman at Loon Lake on December 3.

Repeats Vows to Celebrate Silver Wedding, Ends Day in Hospital

MR. AND MRS. Ray Jungels of Lindenhurst celebrated their Silver Wedding anniversary by renewing their marriage vows in the Prince of Peace Catholic Church at a nuptial mass Saturday morning.

A wedding breakfast followed for friends and relatives in their home Saturday evening and they were honored in Chicago by former neighbors and friends, but while celebrating, Mr. Jungels suddenly became ill and was rushed by Chicago ambulance to West Suburban Hospital in Oak Park.

Early this week Mr. Jungels was said to be in fair condition and recovering from pneumonia and pleurisy.

Mr. and Mrs. Arthur Blocki of 333 Harden St., observed their Golden Wedding anniversary Nov. 25, but will celebrate it with a dinner party at the Palmer House in Chicago on Saturday.

Mrs. Blocki was the former Marie Smith of Racine. The couple resided in Chicago for many years and Blocki is a native of that city. He served as an office manager and clerical clerk for the White Owl Express Company there before he retired.

Children of the couple are Kenneth of Chicago, Margaret Moorman of Antioch, Robert of Chicago, Betty Jane Ide of Marion, Pa., and William of Stowe, Ohio. They have 12 grandchildren.

Wallace Anderson will continue to lead a study of the Christian home. Miss Betty Lu Williams will lead the devotions. There will be an exchange of gifts.

Antioch Lawmaker Speaks at Luncheon

State Sen. Robert McClory of the 52nd Senatorial District and Reps. Robert Coulson, W. J. Murphy and Jack Baird of the 31st Representative District, were guests and speakers at a luncheon meeting of the Lake County Assessors' Assn., last week. Murphy lives in Antioch.

"I believe I was one of the original proponents of a move to eliminate the present personal property tax," said Rep. Murphy, "but I have learned that such an accomplishment will be extremely difficult. First it will require the devising of a practical substitute means of necessary revenue, then a constitutional amendment abolishing the personal property tax law will have to be submitted to the people. Your association's stand on this matter will be most helpful in finding a solution to a complex and difficult problem."

Date Nut Bread Recipe Is Mrs. Hills' 'Most Borrowed'

One of the "most-borrowed" recipes of Mrs. Donald E. Hills, Rte. 1, Lakeview Dr., Lake Villa, is for Date Nut Bread. This week Mrs. Hills wants to share it with readers of the Antioch News.

Mrs. Hills, who lived in Antioch until two months ago, says she clips recipes from other News readers which appear in this feature every week. "My family enjoys the results very much," she adds.

For sharing her cooking secrets with other readers of the Antioch News, Mrs. Hills will receive her choice of a steak knife set or a carving set as a gift of the News. All readers are invited to participate in this popular feature each week. Read, try, and tell the results of recipes you use. Submit your own and if yours is printed, you too will receive one of the fine prizes. For the holidays, ahead, here is Mrs. Hills' recipe for

DATE NUT BREAD

2 eggs (beaten)	1/2 teaspoon salt
2 cups brown sugar	1 teaspoon baking powder
2 cups sour milk (or add	2 teaspoons baking soda
2 1/2-3 teasp vinegar to	1 cup chopped walnut meats
sweet milk)	3/4 cup dates (cut up)
4 cups flour	

Combine beaten eggs and brown sugar. Add milk and mix well. Add flour sifted with salt, baking powder and soda. Add nuts and dates. Bake at 350° in loaf pan lined with waxed paper. (Approximately 45 minutes baking time.) Makes two loaves.

"I especially enjoy the fact that this bread can be baked ahead of time and put in the freezer," she adds.

100 Attend Monthly Cub Pack Meeting

More than 100 persons attended the monthly pack meeting of Cub Scout Pack 84 last week at the B. J. Hooper School in Lindenhurst.

The meeting started with the presentation of the flags by the Cubs in Den 3. A short skit with a Thanksgiving theme was presented by Den 7, which is a new den under the leadership of Mrs. J. Heick.

A movie about exploring the Everglades was secured and shown through the efforts of Committeeman Paul Hunt.

Awards for the month were presented to the following cub scouts: Silver Arrows: Don Langager, Bruce Megleo, Jim Sweeney, Terry Millar, Jack Heick, Larry Davis, John Warchal.

Gold Arrows: Gary Hunt, Terry Millar.

Wolf Badges: Mike Salzider, Joe Hamm, Billy Hamm, Steven Roos.

Denner Stripes: Jerry Hansen, Rick Bonovitz.

The following Boats were presented their pins: Joe Hamm, Ricky Landt, Mike Salzider, Jimmy Clark, Mike Vaughn, Richard Slavik, Jerry Hansen.

Refreshments were served to all those present, through the help of the mothers of the cubs in Dens 2 and 8. Games were then played by all the cub scouts at the meeting.

Lake Villa Man Honored for Abbott Service

Seven other employees living in Lake County also marked service anniversaries with the company.

Cub Scout Pack 80 Presents 14 Awards

Pack night for Grass Lake Cub Pack 80 was held at the Grass Lake School last Wednesday with 14 awards presented.

Following is a list of the awards presented to the boys by Cubmaster Earl Beese:

Denner's Bars—Denny Coons and Richard Hart.

Service Star—Robert Murphy, Frank Muller, Larry Maeder, Terry Drucker, Phil Muller, Greg Mitchell, Terry Robertson and Terry Witkowski.

Lion Badge—Jim Byrne.

Silver Arrow, Bear—Robert Sedevic.

Two Silver Arrows, Wolf—Ronnie Coons.

Year Pin—Den Mother Natalie Witkowski.

The "God and Country Award" received by Pack 80 was fastened to the pack flag.

Den 1 entertained with a skit, appropriately about Thanksgiving. Then the boys lined up in four teams to participate in a nail-driving contest.

Cubmaster Beese demonstrated a "spin-stick" which the boys could make at home.

Refreshments were served by Den Mother Charlotte Queen and the mothers of Den 7.

Women's Golf Assn. Gives Cancer Fund \$1,600 Gift Check

The Illinois Women's Golf Association recently presented the American Cancer Society's Illinois Division with a check for \$1,600 from the victory tournament conducted each year by the Illinois Women's Golf Association.

The gift, which has been given annually, is intended for use in the Cancer Society's program of lay education, with special emphasis on the education of women as to the symptoms and treatment of cancer.

3 ATHS Band Members Play in Special Band

Sue Romer, Dee Stillson and Lance Keisler, were picked to play with the all Illinois sight reading band at Northern Illinois University, at DeKalb. The band was made up of high school and university students who played new music for the high school band directors in Illinois. The reading clinic took place on Nov. 22, at the University school. Joseph Rush, band director at Antioch, went with the students to DeKalb.

Lindenhurst Cops' Ball A Success; Village Shows 'Em 'How It's Done'

When Lindenhurst was organized, two years ago, neighboring municipalities looked somewhat askance at the proposed jobs to be taken care of by cooperation. That look has now changed to admiration.

The Lindenhurst Policemen's ball last weekend helped change the opinion of many. More than 300 persons attended the dance, a benefit for the police department of the village. An uncounted number were turned away because of lack of room, says John Slove, chairman of the police commission.

AT THE FIRST police ball last year, enough money was raised to begin a substantial benevolent fund for the 10 volunteers on the force, Slove says.

Besides the cooperation always expected from the residents in community affairs, another secret is behind such affairs as the Policemen's Ball, Slove says. That is that everyone has a good time. The McHenry Combo band was asked to play longer than the program called for.

THE STORY OF the Policemen's Ball is a story of cooperation also the chairman added. The policemen's wives donated cakes, Slove himself, who will operate a bakery in the new Linden Plaza, donated beef and buns served and police force committees donated much time and labor to the dance.

Backed by the success of the two annual events, already the policemen are making plans for another event next year. Other neighboring communities are promised more chances to see how it's done.

Lindenhurst

(Written for last week)

The Lindenhurst Sportsman's Club held its annual banquet Saturday, Nov. 8 in the Rustic Manor, Gurnee, for members and wives. An evening of dancing followed and a good time was had by all.

The O's Social Club met at the home of Grace Stone Tuesday, Nov. 11. Games were played and prizes awarded. Refreshments followed. The next meeting will be held in the home of Sari Plotzke Nov. 25.

Lindenhurst Bowlers: Wolff's Resort took three games from Thor's Shell Service. Klimas Resort took two from Sherry's Liquors.

Fred Maier's Service took two from Engle Realtors.

Joe's Tap took two from Slove's Bakery.

Walter Saran shot 228 for high game. Lee Lewis shot high series, 595.

Team standings Nov. 14:		W	L

ENGLISH STARTED THANKSGIVING

The Pilgrims may have gotten the idea for their day of thanks from the "harvest home" celebration of the folks back home. Research experts with The World Book Encyclopedia reveal the English feasted on plum pudding and roast beef after the last load of grain had been carried home from the fields.

Holiday Overeating May Cause You To Be Careless Driver

It's an old American custom to relax and take things easy Thanksgiving Day and the Thanksgiving weekend. But the Chicago Motor Club cautions motorists not to allow this holiday relaxation to interfere with safe driving habits.

Actually, there are more driving hazards during the late fall and early winter months than at any other time. During holiday periods these sometimes are compounded by over-indulgence in food and drink.

To help add to your Thanksgiving Day enjoyment, Matthew C. Sleski, director of the Motor Club's safety and traffic engineering department, offers these driving tips:

—Don't drive too soon after a heavy meal.

—If you drink, don't get behind the wheel.

—Check the weather forecast before starting on a trip.

—If the weather is bad, start earlier and drive at reduced speeds.

—Plan your trip so you'll be driving during daylight hours as much as possible.

—Be alert for signs of highway hypnosis. If you feel drowsy, take time for a coffee stop.

—Make sure your car is in first class mechanical condition before starting on your trip.

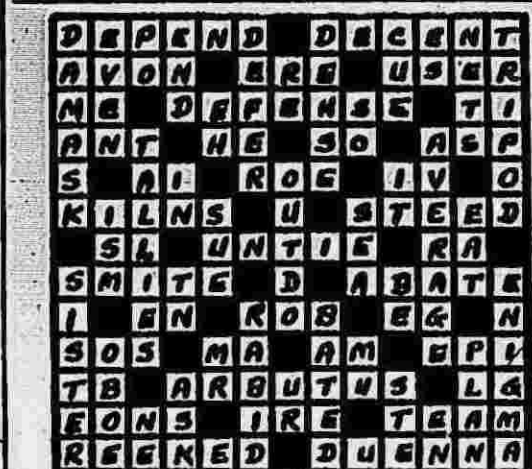

For quick results, place a want ad by calling 43 or 44.

PILGRIMS DIDN'T HAVE PUMPKIN PIE

Pumpkin pie is almost as much a part of Thanksgiving as the story of the Pilgrims. But it wasn't on the Pilgrim menu. According to research experts with The World Book Encyclopedia, the early colonists probably didn't know what to do with the strange vegetable.

TURKEYS LOSING WEIGHT

The turkey has been losing weight since 1930, according to research experts with The World Book Encyclopedia. In the past, the big size of the bird has limited it to such family feasts as Thanksgiving and Christmas. But turkey raisers now are growing smaller birds.

DEAR MARY,

You had asked me to keep my eyes open for a "good buy" in a home for you here in Antioch. OSMOND REALTY has a new home in Rosings' Subdivision that you'll love. It's a ranch with an attached garage — lots of room for the kids' stuff and Bill's lawn equipment. The three bedrooms are large and, honestly Mary, you should see the kitchen with those new gas built-in appliances. The dining area is off the kitchen and is larger than our dining room. The house is on a large ½ acre corner lot. Oh, Mary, we would love to have you and Bill as neighbors; why not call OSMOND REALTY (Antioch 985) and make an appointment?

See you soon,

Jane

Turkey Popular With Pilgrims, But It's Not Same Bird We Know

The turkey which strutted in the barnyard as late as Wednesday probably wouldn't recognize the gobbler that provided the pilgrims with their first Thanksgiving feast.

The resemblance between the two birds is comparable to the "before and after" pictures which accompany most body-building advertisements.

The pilgrim bird was a skinny, scraggly long-legged athlete who toughened up the meat on his bony frame by scooting through the woods at a rapid clip.

ACCORDING TO The World Book Encyclopedia, the modern turkey is an overfed, full breasted beauty with a much larger body and short, meaty legs.

Exercise for the modern adult turkeys consists of walking around the barnyard at a slow, deliberate pace. Possibly the only joy a turkey

raiser gets from a turkey is counting the money after he gets rid of the bird. For turkeys have frail constitutions, miserable dispositions, and must be coddled and coaxed to market.

TROUBLE STARTS when mother turkey lays her eggs and the father turkey does his best to search them out and break them. If the turkey egg hasn't been pecked or stomped into oblivion, it will hatch in 28 days, after being kept at a temperature of 100 degrees—no more no less.

Then the little turkey gets the vitamin treatment and is carefully guarded until ready for market between the age of four to seven months.

Why do farmers raise turkeys? The answer might be in the Department of Agriculture report that last year turkey raising amounted to more than a \$300 million business.

Mod. Road Builders....

(continued from page 1)

were not so heavily wooded but the Indians had well-worn paths to the Chain of Lakes in the western part of the county. Then, just as now, the residents were drawn to them because they were great hunting grounds—teeming with fish and game. The great Fox River joined the lakes from Channel and Catherine and Marie through Grass, Fox and Pistakee.

Trails led also to the traditional burial grounds located adjacent to these lakes. The mounds of an even older race of people have been located in various sections of Channel Lake, Bluff Lake and Grass Lake. In Fox Lake have been found all kinds of ancient artifacts. At Lotus Point, at the property formerly owned by John P. Vidvard, the Indians for a number of years observed an annual custom of gathering for a day or so to honor their dead in the ancient burial grounds located there.

There also was a trail which branched from the major route that ran along the Des Plaines River—at a point called Indian Creek—near the present Half Day village, where a large Indian camp once existed. The trail ran northwesterly to the eastern verge of the Fox Valley. It came by Cedar Lake, now Lake Villa, and continued north through the present Antioch. It was known as the Mucwonago trail.

PASSING ACROSS the present state line by the towns of Salem and Trevor, it led 30 miles farther to the large Indian village of Mucwonago, Wis.

This line of Indian travel, very

popular then, is now our Antioch Main St.—State Rt. 21-83. It followed a high ridge through town overlooking the slough lands to the east. Today's cemented bridge spanning Sequoit Creek represents a considerable improvement over the muddy crossing which was encountered in those early days. The stream then had a much greater volume of water and the only transportation was by Indian pony, settler's wagon, a buggy or just the old familiar shank's mare.

Next week: Indian Trail Markers.

ATHS Cheerleaders Attend Cheer Clinic

Both the junior-varsity and varsity squads of cheerleaders of Antioch High School were represented at a cheerleading clinic held last Saturday at La Grange.

The former Rose Meyer, very well known in the cheerleading field, was the guest speaker. A style show was presented by the House of Harter.

Various topics discussed were: "Pop Rallies," What is a Cheerleader, "School Cheerleading Used for Variation," and "Cheerleader Relationships at Cheerleading Events."

Junior-varsity cheerleaders attending, and accompanied by Miss Franz, were Jan Duha, June Dressel, Jill Anderson, Lori Pedersen, Vicki Kopach and Judy Vejvoda. The varsity cheerleaders attending were: Elaine Christensen, Sharon Dittman and Lynn Veenemeyer. The varsity cheerleaders were accompanied by Nary Ann Donovan.

Small Town Research Offers Stout Hope To Ulcer-Afflicted

MEDIA, Pa.—The small county seat community of Media, Delaware County, Pennsylvania, may become a haven of hope to ulcer sufferers because of the work of two local doctors.

A preliminary clinical report recounted the beneficial effects of Lixovon in the treatment of peptic ulcers. The report showed patients were relieved in pain, showed an increasing appetite, and generally "felt like living," in from one to five days following treatment.

In 79 of 88 tested cases over a 31-month period, 78 were diagnosed as "healed peptic ulcers" after four to six weeks. The 79th patient was classed as a "healing ulcer" in the same period, and completely healed in eight weeks.

The remaining nine cases, all without x-ray evidence of a definite ulcer niche, reported "immediate improvement" and no recurrence of symptoms.

Doctors Larry J. Rendin and Carl L. Gamba are the physicians who completed the development of this ulcer-killer. They carry on their mercy work in laboratories at their County Medical Center in the community of about 6,000 residents.

The treatment consists of the patient taking one Lixovon capsule every other night at bedtime for nine days. While the use of tobacco is curtailed and alcoholic beverages banned during the treatment period, and for 30 days thereafter a conventional "bland" diet during the nine-day therapy is followed by an immediate resumption of normal eating practices.

'Down Under' Bout: Kangaroo vs. Car

NEW YORK—Motorists who worry about hazards on U. S. highways can thank their lucky stars they're spared one problem facing Australian drivers—kangaroos.

The world-wide Avis Rent-a-Car System, which has stations in such areas of the "down under" continent as New South Wales, Queensland and Tasmania, tells of some unusual occurrences involving the high-hopping marsupials.

It is not unusual, they say, for rented cars to be returned with smashed headlights and dented fenders. What's more, kangaroo hoofmarks are often found on the car body to prove the huge animals tangled with the auto.

As cars proceed along back-country roads, they are sometimes spotted by a wild roo who will thunder alongside the car for miles. Sometimes, in this fantastic race, the kangaroo will swerve into the driver's path. Damage is usually light.

Certainly kangaroos do not discourage motorists from traveling across the vast and sparsely inhabited Australian continent.

Dinosaur Limb Bone Is Largest Known

WASHINGTON—The largest known dinosaur limb bone has been added to the collections of the Smithsonian Institution. It was found in Montrose County, Colorado, by Mr. D. E. Jones, a lumber yard owner in Delta, Colorado, who has presented the bone to the Smithsonian.

Seven feet one inch long, it is the upper bone of the forelimb, the humerus, of a Brachiosaurus, perhaps the largest of all the dinosaurs. This animal lived in late Jurassic times, about 135 million years ago. While it is difficult to reconstruct the size and appearance of an animal from a single bone, it is estimated that the creature in life possibly weighed about 55 tons.

College Campuses Said 'World Crossroads'

CHICAGO—College campuses are rivaling international airports as the "crossroads of the world."

"More students from other lands are coming to our country for higher education than ever before in the nation's history," said Dr. Joseph C. Boyce, vice president of academic affairs and dean of the graduate school at Illinois Institute of Technology.

He cited a recent survey from the Institute of International Education, which reported a 1957-58 influx of 15,118 graduate students from foreign countries coming to study in our colleges.

Tough Stuff

NEW YORK—Railroad passenger cars are made safer through the use of nickel-containing stainless steel for structural sections. The high strength of this steel and the fact that it never will be weakened by corrosion give the car greater safety with less weight.

The social drinkers are a greater menace than commonly believed as their critical judgment is impaired with a fairly low alcohol concentration and they outnumber the obviously intoxicated drivers.

Principal objection of Carlson and attorneys for the Shaw Subdivision was that reclassifying the area business would be spot zoning and would be a "foot-in-the-door" technique and lead to subsequent zone changes which would be a detriment to the area.

A decision on the zoning change request probably will be handed down by the County Zoning Board of Supervisors at its December 9 meeting.

Scouts of Troop 92 Return From Camp

Boy Scouts of Troop 92 returned Sunday from Green Bay, Wis., where they spent the week-end camping and operating a hunters' camp for hunters in the area.

Bud Wedds suffered an eye injury and was hospitalized at a Green Bay hospital but is reported very much improved this week at home.

Attending the camp were: Clifford White, George Badame, Jim Lonson, Chuck Groinger, Bill Elsey, Jay Bruski, Joel Matusek, Greg Leksich, Gene Moeller, Les Racine, Anthony Badame, Clem Haley, Ron Taylor, Jim Bridges, Bernie Smith, Bill Johnson, Hugo Holbek, and Frank Szymanski.

Entering the camp Friday evening, the scouts started eight hunters on their way with coffee the next morning and spent the day doing scout advancement and camp craft. They held church Sunday and visited a ship to be launched at Manitowoc, Wis., on the return trip.

Salem FHA Hosts District Rally

Salem High School FHA, under the supervision of Eileen Deetz and Mrs. Mary Lou Thillemann, home economists, hosted the district FHA rally of seven Wisconsin area high schools.

MORE THAN 250 student delegates met to discuss ways to motivate an exchange of ideas and suggestions for the improvement of FHA local chapters.

Sharon Norfleet, Salem FHA president, and Principal A. H. Erickson, welcomed the delegates to Central High School. Salem's FHA Chorus 40 voices strong, provided vocal music. The Chorus is directed by Barbara Day.

DEATH NOTICES

Maretta J. Coon

Maretta J. Coon, 71, Salem, died Saturday at the home of his daughter, Mrs. Cecil Elyea at Salem, following a lingering illness.

Mrs. Coon was born Feb. 15, 1887, at Mankato, Minn. She moved to Salem in 1949. She was a member of the Salem Methodist church, and was employed by the U. S. Standard Products Company of Woodworth, Wis., until retiring eight years ago.

Survivors include: two sons, Wesley, of Backus, Minn., and Leslie of Keosauqua, Iowa; a daughter, Mrs. Bessie Elyea, Salem, a brother, Laurance Conwell, Seattle, Wash., four sisters, Mrs. Ella Noyes, Mankato; Mrs. Mary Rhyder, Truman, Minn.; Mrs. Barbara Barnes, and Mrs. Arline Pike of Seattle; and six grandchildren.

Funeral services were held at 3 p. m. Tuesday at the Strang Funeral home, Antioch. Burial was in Liberty cemetery.

Rudolph Zahrobsky

Rudolph Zahrobsky, 69, of Channel Lake Bluffs subdivision, died Saturday at Victory Memorial hospital, Waukegan, following a lingering illness.

He was born in Prague, Czechoslovakia. Coming to America in 1899, he settled in Chicago, afterward moving to Cicero where he was employed with the Cicero police department. Later he became a Cicero fireman.

Mr. Zahrobsky moved to Antioch in 1944. He was a member of Bohemia Lodge No. 202 I. O. O. F. Survivors include two daughters, Mrs. Josephine Klindera, Canoga Park, Calif.; Mrs. Blanche Kalbow, Antioch; six grandchildren and 3 great grandchildren.

Funeral services were held Tuesday at the Strang Funeral home. The Rev. Wallace Anderson, pastor of the Antioch Methodist Church, officiated.

Ada Verrier

Mrs. Ada Verrier, 75, 805 Franklin street, Waukegan, died Saturday at the Redel Nursing Home at Zion after several years of illness. Mrs. Verrier was born July 25, 1879, in Cross, Somersetshire, England, coming to America in 1904, settling in Antioch. For the past 23 years she had made her home in Waukegan. She was a charter member of St. Ignatius' Episcopal

church of Antioch.

Survivors are two daughters, Mrs. Edna Radke of Antioch and Mrs. Bertha Johnson of Waukegan; a son, Arthur, of Chicago; a sister, Mrs. Clara Westlake of Antioch, and two brothers, John Fowles, Libertyville, and Fred, of McHenry; five grandchildren and five great-grandchildren.

Funeral services were held Monday at St. Ignatius' church with the Rev. Edmond Hood officiating. Burial was in Hillside cemetery, Antioch.

Harry W. Conrad

Harry W. Conrad, Sr., 52, Loon Lake, died Tuesday at his home of a heart attack. He was born Sept. 7, 1906 in Chicago and moved to Antioch in 1946. He owned and operated the Cozy Corner Tavern at Loon Lake and was a member of the Lake County Tavern Assn.

Survivors include his widow, Bernice; a daughter, Mrs. Joan (Ray) Toft, Antioch; a son, Harry W., Jr., Bloomington; a sister, Mrs. Bernice Kleven, and his mother, Mrs. Clara Ludwig, both Antioch; and three grandchildren.

Funeral will be at 1:30 p. m. Friday at the Strang Funeral Home, Antioch, with the Rev. Wallace Anderson of the Methodist Church officiating. Friends may call at the funeral home from 7 to 10 p. m. and Thursday from 3 p. m. until time of services. Burial will be in Millburn Cemetery.

George F. DeLaby

George F. DeLaby, 73, Stratton Subdivision, died Monday at Victory Memorial Hospital, Waukegan, after a short illness. He was taken to the hospital by the Lake Villa Rescue Squad.

Mr. DeLaby was born in Chicago, Dec. 21, 1884 and worked as a steamfitter before retiring in 1954. He had lived at Lake Villa for 30 years and was a member of St. Bede's Church, Ingleside.

Survivors include his widow, Bessie; a daughter, Irene, dean of girls at Grant Community High School; a sister, Mrs. Irene Nicholson and a brother, Edward, both of Chicago; and several nieces and nephews.

Funeral services will be held Friday at 9:15 a. m., in the Justen-Hamsher Funeral Home, Fox Lake, and Requiem Mass at 10 a. m. in St. Bede's Church. Burial will be in All Saints Cemetery, Des Plaines.

Scouts Plagued By Money, Game Problems On Weekend

Dundee 'Jinx' Cost Antioch 74-35 Loss

The jinx the Dundee Cardinals held over Antioch's Sequoits throughout the past few years continued last Friday as the Cardinals whipped Antioch High School 74-35 in the Sequoits' home cage opener.

The Cardinals commanded the entire game except for the opening minutes. Their superior height and experience proved too much of an advantage for the short, inexperienced Sequoits. But Coach Larry Leon's cagers, seemingly understanding and accepting their situation, never became rattled. They played a good game considering their inexperience.

ANTIOCH JUMPED out in front after 2:10 of the first quarter when Jerry Dahlman hooped a goal from the side court. But Dundee soon tied the score and began dumping in field goals consistently. Antioch held Dundee scoreless from the field for the first four minutes of the game.

At the end of the initial stanza Dundee led by 8, 15-7. The scrappy Sequoits contained Dundee momentarily in the second quarter. They got their share of rebounds, but Dundee forged ahead 32-19 at halftime.

Bob Martin, Antioch's center fouled out with 35 seconds remaining in the third period. The Sequoits lost rebounding strength and the quarter ended 53-26.

Jerry Dahlman led Sequoit scoring with 13 points. Dennis Nelson of Dundee was high point man for the game with 21 points.

Antioch hit on 54 per cent of their gift tosses. Dundee made nearly 70 per cent of their free throws.

Sequit Sophs Lose 60-27 To Dundee

Unable to cope with Dundee's accuracy from the field in the second half, the Antioch Sophs lost a 60-27 decision Friday night.

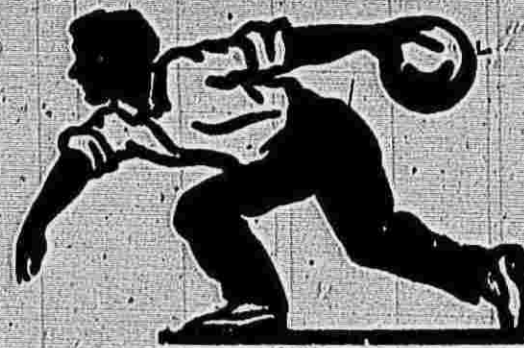

Leading by a slim 5 points 25-20, at half time Dundee hit on 10 out of 11 attempts from the field in the third quarter and pulled away to a 47-22 lead and then easily scored their first victory of the season.

Leading scorer for the losers was Ed Martin who collected five of his team's nine field goals.

WHEN THE BEAT goes boom, you go whump. It looks like an exhibition of a new type cha-cha between Antioch's Jerry Dahlman (43) and Dundee's Ralph Rasmussen as they fight for the ball in last week's losing effort for the Sequoits in Antioch.

Fly-By-Night Mixed League

Wednesday, Nov. 19

This league held a 'turkey shoot' with one 20-lb. turkey going to the bowler of each pair of alleys who bowled the most over his or her average.

Old Hickory (A. Dettmering, 508) won two games from Four Aces (Mary Weinholtz, 165-154-114-433). Helene Stenek won the turkey, bowling 63 pins over her average with a 209 game.

Jim's Sinclair Service (Bob Cost-off, 483) won two games from Barnes T.V. (Earl Barnes, 496). Winner of turkey—Estelle Vanderwerker—101 pins over her average.

Wilson's Laundromat (Carl Denny—194,215-147-556. (This was high series for the night), beat State Bank of Antioch all three games. He also won the turkey, bowling 94 pins over his average.

IGA Foodliner (Bill Perich 536) took all three games from Jacnot Farms (Townsend Barlow 477). Bob Hamlin won the turkey with 82 pins over his average. Mr. Barlow's 477 was 81 pins over his average.

The First National Bank won 1½ games from Vana Beverages—an exceptionally even split, in that the First National won the first game by 5 pins and lost the last by 5 pins, while tying the middle game. They both had identical averages to start the night, which gave them each 175 pins handicap per game, and they ended with the identical total pins: Bank: 858-828-923-2609 total; Vana Beverage — 853-828-923-2609 total.

Albert Frank for the Bank bowled 487 and Norm James for Vana also had a total of 487, so that the two high series for the night on this pair were also identical. The turkey winner on this pair was Marlene Miller with 54 pins over her average.

Women's Thursday Afternoon League, Nov. 20

Fred Maier's Service had high team series with games of 563-528-550-1641 total.

Mae Bubrick was high individual scorer, bowling games of 181-208-157 for a total of 546.

Advertiser took two games from Mann's Certified.

Kelly's Tavern won two games from Ben Franklin.

Kharmichael Vending won two games from Leo Johnson's 4th Lake Resort.

Fred Maier's Service won two from Ted's Radio & TV Repair.

Cash To Finish Season A Big Worry To Squad As It Meets Wauconda

Antioch's Scouts face two big problems this weekend as they attempt to rise back to first place in the McHenry County Basketball League.

The first is money—the team which exists on basketball fans' contributions is broke. The second is Wauconda, currently leading the league with 3 wins and no losses. On Monday night they travel to Woodstock for a game with the tail-enders.

FRANK BALISTERI, coach of the local amateurs, says this year is the one in which the Scouts could very well take all the honors in the league—if enough money can be found to hold the team together. Play in the league is fast, aggressive and skillful and on a par with most colleges.

Proof of the team's playing skill is the fact that it beat tough Algonquin last week, handing it the first loss in three years.

WEDNESDAY NIGHT the Scouts met Grayslake in Antioch and won't have another home game until Monday, Dec. 15. But fan-contributions will be welcomed at any time Balisteri says.

The player-coach figures that the Sunday afternoon game at Wauconda will be one of the toughest

so far this year. The Scouts were tripped by Wauconda two weeks ago but feel they can beat the Lake Co. squad.

Currently riding in the league's fourth place, Antioch has a record of 2 wins, 2 losses. One-of-the losses, to Wauconda last Sunday, was a game that should have been won. Only five players made the game for Antioch, two of them fouling out in the third quarter. Still the team made a creditable showing, Balisteri said.

Salem Nipped 69-64 In Loop Opener

After leading Pewaukee High School for three periods, Salem's Falcons dropped a 69-64 conference basketball opener at Pewaukee last week.

Ronnie Yates, the Falcons' 5' 7" jump-push shot artist, sat out half of the third quarter and most of the final stanza with four fouls. But he still scored 25 points, hitting consistently from outside Pewaukee's tight zone. The loss of Yates in the latter part of the game hurt the Salem cause.

The Falcons led at the quarter marks: 16-14, 35-34, and 51-48.

CENTRAL DID NOT rebound as well against Pewaukee as they did against St. Mary's last week, says Coach Dorm Grams.

The Falcons found the going rough under the basket and picked up 30 fouls. Pewaukee hit on 47 per cent of their gift tosses; Salem 61 per cent.

Tribe Rests Thanksgiving, Awaits Rams

Antioch's Sequoits get two days rest from the practice court this week but will return Saturday morning to work on all phases of their cage skills.

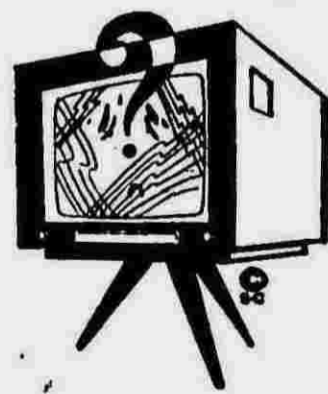

There's no game this weekend but the Indians will open their conference season next Friday at Grayslake. From the prospects ahead and from last week's results, the Antiochians will need all the practice they can get.

Now 0-2 for the season, Coach Larry Leon's squad was soundly beaten by a good Dundee club 78-35 in a game in which Antioch was strictly outclassed.

"Our boys had the jitters," Leon said. Dundee was a taller club and had a good defense.

But Antioch just wouldn't move, "they seemed dead on their feet," Leon noted. Actually, Antioch is a better club than it looked, he said.

A squad cut is expected by Christman when the present 15 men will be cut to 12, Leon said.

Antioch Grad 'Gaining Perspective Of U. S.' At Mexico City College

Special to the Antioch News

MEXICO CITY—In the land of ancient archeological ruins and ultra-modern architecture, Richard Alan Jonas, 1956 graduate of Antioch Township High School, son of Mr. and Mrs. Irvon Jonas, Griffith, Ind., is studying at Mexico City College for the fall quarter. The institution, whose motto is "Wisdom-Peace-Brotherhood," is the only American-type liberal arts college south of the Rio Grande and awards B. A. and M. A. degrees.

In the 18 years since its founding by two American educators, Dr. Paul V. Murray and Dr. Henry L. Cain, the college has grown from a student body of seven to an average enrollment of 800. Graduates from MCC have entered the diplomatic corps, foreign trade, the business world, engineering, the teaching field and many of them have continued their academic studies to achieve doctorate degrees.

Jonas is now a business administration major at Mexico City College. He is also gaining an idiomatic mastery in Spanish and is becoming acquainted with the customs of the country.

MODERN, BUSTLING 5 million population Mexico City is located only 15 minutes distance from the appealing site of the campus in the hills of the Nevado de Toluca which

overlook the twin majesty of Mexico's most famous volcanoes, Ixtaccihuatl and Popocatepetl. The sprawling cosmopolitan center, third largest in the western hemisphere offers the student a bewildering choice of interests including symphonic concerts, museums, theatres, art shows, bull fights and the fastest sport in the world, jal alai.

All classes are taught in English by an internationally-trained faculty, but practically all students learn Spanish not only in the classroom but by their daily association with the people of Mexico. Most of them live in college-approved private homes and as a result become familiar with the customs and daily lives of the people.

MEXICO CITY COLLEGE'S unique location makes certain study areas of vital interest to American students—particularly anthropology, Latin American studies, art, international relations, Hispanic language and literature, and creative writing.

According to statistics issued by the Institute of International Education, more Americans are studying at MCC than at any other university abroad.

One of the most important values students feel that they achieve from studying in Mexico is that they

D. 1958 for Judgment fixing the correct amount of any tax paid under protest, and for judgment against the lands and lots mentioned and described in the following list of delinquent lands and lots for the general taxes for the years 1917, 1918, 1919, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1927, 1928, 1929, 1930, 1931, 1932, 1933, 1934, 1935, 1936, 1937, 1938, 1939, 1940, 1941, 1942, 1943, 1944, 1945, 1946, 1947, 1948, 1949, 1950, 1951, 1952, 1953, 1954, 1955, 1956, 1957, 1958 together with interest, penalties, and costs due severally thereon and for taxes and special assessments due for the years 1914, 1915, 1916, 1917, 1918, 1919, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1927, 1928, 1929, 1930, 1931, 1932, 1933, 1934, 1935, 1936, 1937, 1938, 1939, 1940, 1941, 1942, 1943, 1944, 1945, 1946, 1947, 1948, 1949, 1950, 1951, 1952, 1953, 1954, 1955, 1956, 1957 and 1958 together with interest, penalties, and costs due severally thereon, and for an order to sell said lands and lots for satisfaction thereof. Public notice is also hereby given that on the 5th Monday of December to-wit: on the 29th day of December A. D. 1958, all the lands and lots for the sale of which an order shall be made, will be exposed to public sale in the County Court Room, in the building where said County Court is held in said County in the Court House at Waukegan, in said County, for the amount of taxes, special taxes, special assessments, interest, penalties, and costs due severally thereon, except such as shall have been paid at said time of sale. Said sale shall commence at 9 o'clock A. M. Central Standard Time on the 29th day of December and to continue from day to day until the same shall be completed and if for any cause such judgment shall not be rendered on the said 15th day of December then such sale will be made on the second Monday after such judgment shall be rendered commencing at 9 o'clock in the forenoon of such second Monday.

Costs on each tract or description of land 36 cents; on each lot or description of lot 21 cents. Also interest at the rate of 1 per cent. per month will be added after October 1st on the first and second installments.

ATHS Receives \$2,520 To Aid Driver Education

Antioch Township High School received \$2,520 last week as its share of Lake County schools' \$24,750 allotment money for driver education.

The money covers the 1957-58 school year, the first under which the new driver education program was effective. Legislative enactment of the program occurred during the last legislative assembly. The program, administered by the superintendent of public instruction is a part of Gov. Stratton's safety program for the state.

A total of 388 high school or unit districts participated in the first reimbursable driver education program. All but four of the state's 102 counties were represented, said Vernon L. Nickell, supt. of public instruction. Over 22,000 high school pupils completed the approved course in driver education, which includes both classroom and "behind the wheel" activity.

Preliminary figures from George Mathis, Nickell's director of safety education, indicate that the number of districts participating during the current year exceed 420 and that the number of pupils covered will approach the 35,000 mark.

The enabling statute provides that reimbursement to each pupil successfully completing the behind-the-wheel and classroom course shall be covered on the basis of pro rata costs or \$30 whichever is the lesser. The state superintendent predicted that participation in the new program will continue to grow until almost all of the state's high schools are included.
